By activating service, you are agreeing to the Verizon Wireless Prepaid Customer Agreement, which is available at [verizonwireless.com/support/prepaid-customer-info-legal](https://www.verizonwireless.com/support/prepaid-customer-info-legal). The Verizon Wireless Prepaid Customer Agreement contains important terms, including limitations of liability for service and equipment, and settlement of disputes by arbitration instead of jury trials. Please review it before activating service.

You are required to make a full monthly prepaid service plan payment (i.e., \$30, \$40, \$50, \$60 or \$75) on this unit of equipment within 2 hours of this activation or else the equipment will be disconnected.
